<sup>1</sup> Attributable revenue is a non-IFRS measure and does not have any standardized meaning prescribed under IFRS and should not be considered in isolation or as a substitute for measures of performance prepared in accordance with IFRS. For a detailed description and examples of the reconciliation of this measure to various IFRS measures, please see the Corporation’s MD&A disclosures for prior quarterly and annual reporting periods, which are available at <http://altiusminerals.com/financial-statements>.

**About Altius**

*Altius’ directly and indirectly held diversified royalties and streams generate revenue from 15 operating mines. These are located in Canada and Brazil and produce copper, zinc, nickel, cobalt, iron ore, potash and thermal (electrical) and metallurgical coal. The portfolio also includes numerous pre-development stage royalties covering a wide spectrum of mineral commodities and jurisdictions. It also holds a large portfolio of exploration stage projects which it has generated for deal making with industry partners that results in newly created royalties and equity and minority interests.*

*Altius has 43,335,654 common shares issued and outstanding that are listed on Canada’s Toronto Stock Exchange. It is a member of both the S&P/TSX Small Cap and S&P/TSX Global Mining Indices.*
