Altius has a joint venture with Billiton on its Victoria River Property in central Newfoundland. Billiton will earn a 51% interest in the property for \$325,000 in expenditures over 4 years. Billiton may earn 70% for an additional \$520,000 in exploration costs and \$130,000 cash to Altius.

ALS also has very interesting gold prospects in the Botwood Basin and base metals prospects at their Lockport property. I like the properties and management; They're young, smart and aggressive.
